SRI SRI ACADEMY

Academicians from 10 city schools recently took part in a teacher's fest – Gurotsav – organised virtually by Sri Sri Academy to celebrate the birth anniversary of Sri Sri Ravi Shankar. A panel discussion on The Significance of a Transformational Guru in Education was held on the inaugural day. Eight events — Spices of India, Art Junction, Design It, Video Tape, Sound

Spirit, Let's Act, Padam, and Master Minds — kept teachers busy the next day. The host school turned out to be the overall champion. However, they handed over the trophy to the first runner-up, Delhi Public School, Newtown. The Heritage School was the second runner-up. "The Gurotsav 2021 was conceived as a celebration to nurture teachers as they navigated through troubled waters and virtual learning. It gave them a platform to work as a team, to use their wits and experience the joy of creating and performing," said principal Suvina Shunglu.
