

LEARNING TIME
WITH
TIMMY

**A happy and
memorable learning
experience
for 5 to 6 year olds**

Improve your child's learning with our world of English expertise

The British Council, in partnership with Academy Award®-winning animation studio Aardman, brings you Learning Time with Timmy, an innovative English language learning experience for your child.

Why Learning Time with Timmy?

- Nurtures your child's creativity, critical thinking and social skills
- Promotes a philosophy based on valuing self, others and the environment.
- Specially-trained and experienced teachers
- Innovative educational methodologies
- Clear sense of progress to show how well children are doing on the course
- Resources for parents to engage with and support children at home

With Learning Time with Timmy your child will:

- **acquire an interest** in the English language
- learn **writing skills** through a unique methodology using **storytelling**
- learn the **foundations** for excellent **pronunciation** through our **Phonics syllabus**
- develop a **positive attitude to learning**
- feel **safe and fully supported**
- **gain mental agility** through multi-sensory activities
