

HIGH COURT ORDER DATED 02.07.2021 REGARDING SCHOOL FEES

"The Hon'ble High Court at Calcutta vide its order dated July 2, 2021 passed in W.P.A. (P) /162/2021 along with W.P.A. 5890 /2020 was pleased to observe as follows:

".....We modify our orders dated 4th June, 2021 and 18th June, 2021 to the extent that they shall cover all the schools and other teaching institutions in West Bengal. The management of those schools except the respondent no. 4 will prepare a list of students who are defaulters in the payment of school fees. The same shall be handed up to this court on the returnable date. Notice of this should be given to the guardians of those students by the schools authorities. The schools, considering the continuance of the Covid-19 pandemic, will not take any steps to expel the students or to discontinue their study. We make it clear that if on the returnable date we find that such default is continuing, we shall, after hearing any representation on behalf of the students and in the absence of good cause being shown, permit the schools to remove the name of those defaulters whose name is in the said list, from the rolls of the school" .

The matter has been made returnable on August 6, 2021 at 2.00 p.m.

Parents are accordingly advised to clear all pending arrears of fees till June 30, 2021 within July 27, 2021 , failing which the School Management will have no other option but to hand over the list of Defaulters to the Hon'ble High Court in terms of the aforesaid order with ensuing consequences.

In case anyone requires any further clarity on the above order they may contact school authorities.
