

Respected Ma'm,  
Goodevening

This is to inform that i Pushendra Shangari Father of Divyam Shangari who is studying in Class VII is getting relocated to Dehradun with family from the next session

To this effect would be grateful if the Transfer Certificate can be issued for Divyam Shangari ( Student id 2013241) post completion of the current session

It has been a wonderful experience since 2013 in association with this great institution wherein all the Teachers are absolutely outstanding in building the students and am not sure if will ever get such an environment for the child.

All credit to you Ma'm for building such a team of Teachers and great institution
