

Investiture ceremony at Sri Sri Academy

Srians were invested with their responsibilities in the newly formed Student Council (2022-23) on Saturday, July 30. Our chief guest for the ceremony was Rupkatha Sarkar, principal of La Martiniere for Girls, Kolkata.

The programme started with beautiful 'shloka' chanting and a melodious performance by the school choir. The council members marched confidently to the stage and received their badges from the chief guest, the principal and members of the managing committee. The oath of office, administered by our principal, Suvina Shunglu, was taken

by the office-bearers. The investiture ceremony concluded with the school song and our student council members

standing tall as flag bearers of the vision of our founder, Gurudev Sri Sri Ravishankar ji.
