

# Career counselling session at Sri Sri Academy

**S**ri Sri Academy Kolkata introduced their grade VIII students to multiple career options which they can pursue in future. This ses-

sion guided the students to discover their interests while selecting the academic stream in the next academic year. The two trained in-house career counsellors

Mukherjee and Dasgupta addressed the gathering and through an interesting as well as interactive session made the Srians aware of various subject combinations

which will enable them to try out the new yet effective career options.

Vice-principal, Banerjee also explained the necessity of choosing the subjects

mindfully.

The session indeed was successful in clearing the doubts of the students who will be stepping into the senior school soon.
