

'Spring Parade' at Sri Sri Academy

Sri Sri Academy, Kolkata organised an outdoor fun day - the Spring Parade for Kindergarteners on February 11.

To do justice to the name of the event 'The Spring Parade', Kindergarteners in the land of creepy crawlies, adorning the look of different insects paraded one after the other celebrating the onset of the season of fresh flowers.

Children took part in the relay races, obstacle race and drill to usher in the spring season. The prime motive of the day was to participate and have fun. Winning or losing was not the agenda of the day

The parents invited as the spectators applauded the childrens' effort with loud claps and happy cheers. The ground was adorned with beautiful flowers and colourful festoons setting the tone of the day.

Children performed drill in synchronisation using colourful poms poms to 2022 Fifa World Cup soundtrack 'Dreamers' and 'Feel the Magic in the air'. All these different activities performed also improve their physical agility, strengthen their muscles and enhance their concentration.

Distinguished guests Pooja Surana Dugar, the founder of one of the renowned playschools, Leap-years, was present on the occasion and praised the children for their hard work and perseverance.

Each child was given a badge for participation and was rewarded with a take away gift as a token of

appreciation. The day ended with happiness and laughter and the enthralling look on the childrens' faces was

the ultimate joy that spoke bounds and leaps about the happenings of the event.
