

## Session with Class 8 –8<sup>th</sup> May 2023

**Introduction to Career Counselling** was held today by the Career counsellors of the school. Why the students need to think and plan at this juncture was the main point of discussion. They need to find their strength and weakness ,find their career path and then look for the opportunities . The career counselors at the school will be helping them in their career planning and portfolio preparation.

Each student have been asked to work on three points--

- 1) Strength & weakness
- 2) Passion and dreams
- 3) Find out their special quality
