

Sri Sri Academy

■ It was an important day in the Sri Sri Academy calendar as the school organised two events - student council investiture ceremony and the felicitation of the ICSE and ISCE toppers - on the same day on June 28.

The event began with 31 student council members marching up to the stage to the tunes of *Sare jahan se accha* and *We shall overcome*, played by the school's inhouse marching band.

The students got their badges from founder-principal Suvina Shunglu and president of the managing committee Meenakshi Atal.

"The members of the student council must not only be

responsible but accountable and committed to their duties in school, at all times", said the newly installed principal, Gargi Banerjee. Founder-principal, Shunglu, on the other hand, spoke about her journey forward and that Sri Sri Academy is in very good hands.

Head boy Raghav Gourisaria and head girl Shreya Agarwal spoke about taking up the new roles.

The board toppers were felicitated by both the founder principal and the new one. The highest scorer for ICSE was Tejaswini Jaiswal with 99 per cent and for ISC it was Manya Agarwal with 98.6 per cent. The school band, Enigma performed in the end.
